

WCA along with Public Works Government Services Canada (PWGSC) Joint Workshop -
ARE YOU READY? DO YOU GET THE PAPER WORK?
APPROX. \$100 MILLION IN PROPERTY PROJECTS
ACROSS WESTERN PROVINCES (MANITOBA ANTICIPATES APPROX. \$25 MIL)

1/2 day Seminar - Tuesday, December 1, 2009

Public Works and Government Services Canada (PWGSC) will provide information on the federal government procurement process and the required security clearance process. PWGSC is the federal government’s main buyer of goods, services, and construction. It’s Office of Small and Medium Enterprises (OSME) was established to make it easier for businesses to sell to the Government of Canada. OSME shows suppliers how to navigate the government purchasing system, gain access to key government contracts, and learn more about the bidding process. The industrial security Directorate of PWGSC pre-clears firms for federal work, and will provide information on the security clearance process. They will also be available after the seminar to assist companies to complete the forms.
